### RULES REGARDING THE DEDUCTIBILITY OF MEALS

Meals can only be deducted as a business expense if they are directly related or associated with the active conduct of a trade or business. There must be a valid business purpose to the meal for it to be a deductible expense. Once this test is established, the expense falls into two categories: 50% deductible or 100% deductible. There is an additional caveat that if a meal is considered lavish and extr...
